services sign.

## four corners retail signage

### project

Create and update corporate signage to new Home Depot Standard Design Initiative 2. Develop signage per the requirements of the Four Corners prototype store layout. Work directly with the selected print vendor to create prototypes for 4 select stores. Revise signage after initial prototype for 55 store test.

### sign program

- Service area signs
- Learning center signs
- Directional signs
- Checkout signs
- Returns desk signs
- Restrooms signs

vertical book system.

## ge<sup>®</sup> wall ovens retail signage

### project

Design an 8-page, double face, bilingual vertical book system. Work with ge to collect and organize product and color information. Adhere to design standards while maximizing product images per vendor direction. Work with other project members to implement project with concurrent project design initiatives.

**JTP28\***
